

**Continued attention to people in high-risk operations**  
To provide cutting edge signal, lighting, control products  
and solutions worldwide

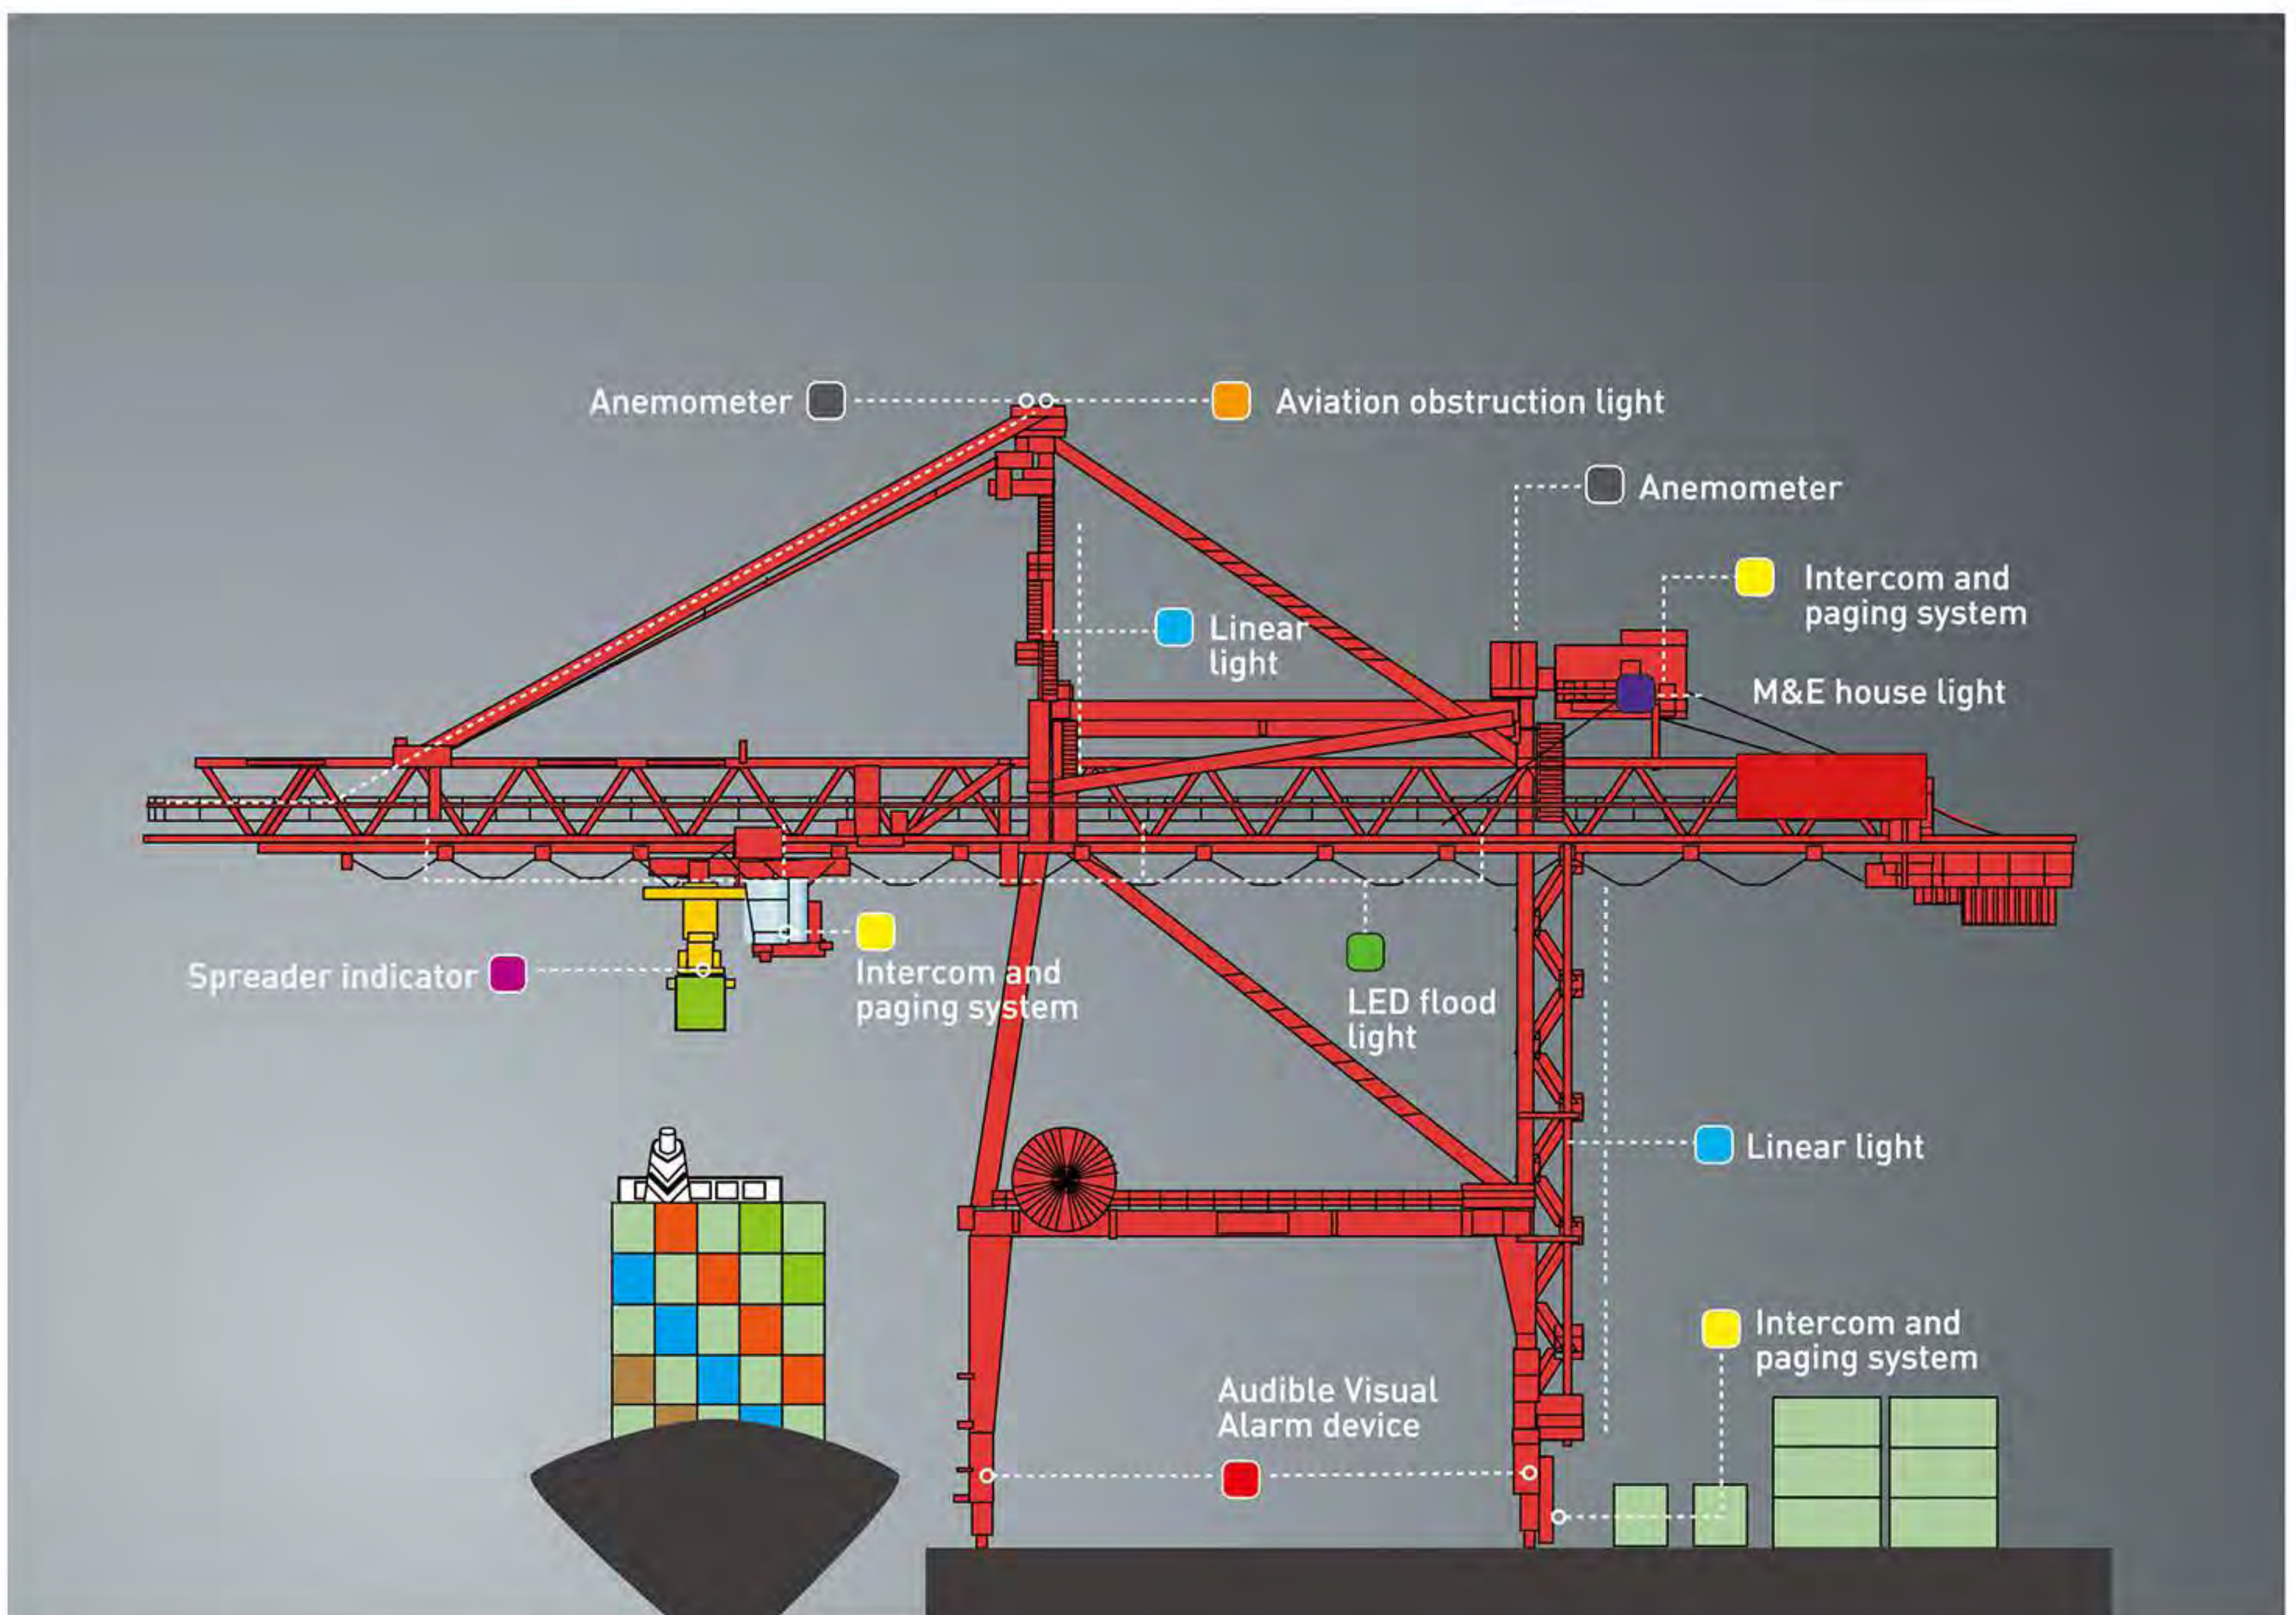

## PORT APPLICATION PRODUCT CATALOG

# STS Crane Solution

- Anemometer:** FA13 series Anemometer
- Aviation obstruction light:**  
 LS810 Low intensity aviation obstruction light  
 LM403 Medium intensity aviation obstruction light
- Paging intercom system:** DT00 series paging intercom system
- LED flood light:** LF30/LF43/LF46/LF70 series LED flood light
- M & E house LED linear light:** LW456 LED linear light
- LED linear light:** LW46 LED linear light
- Audible visual alarm:** BC-8 Audible visual alarm
- Arrow Panel Display:** ABC-18 Arrow panel display
- Spreader indicator:** ABC-16 Spreader indicator
- Power supply:** ZD204 Power Charging cabinet

# RTG Crane Solution

- Anemometer:** FA13 series Anemometer
- Aviation obstruction light:**  
LS810 Low intensity aviation obstruction light
- Paging intercom system:**  
DT00 series paging intercom system
- LED flood light:** LF30 series LED flood light  
LF21 series LED flood light
- LED linear light:** LW46 LED linear light
- Audible visual alarm:** BC-8 Audible visual alarm
- Arrow Panel Display:** ABC-401 Arrow panel display
- Spreader indicator:** ABC-16 Spreader indicator
- Power supply:** ZD204 Power Charging cabinet
